BOOK SYNOPSIS

The Sisterhood: a group of women bound by friendship and a quest for justice. Now their male allies, the Men of the Sisterhood, have formed a top-secret organization of their own, with the same goal of helping the helpless and righting the wrongs of the world... Investigative reporter Dennis West joined forces with the men of the Sisterhood to help fight corruption and greed on behalf of underdogs everywhere. Now he and his band of brothers are on a mission to help an old friend in danger: Toby Mason was a whip-smart college nerd--nothing like the buff dancer at the Supper Club whos reached out to Dennis. The owners of the Supper Club adult-entertainment franchise have expanded their empire through tours, contests, and calendars. But Toby suspects the Supper Clubs offer a convenient front for a major drug trafficking operation--and those suspicions have become known to his employers. At the top-secret headquarters of BOLO Consultants, Dennis, Jack, Abner, Ted, Harry, and the rest of the crew gather to formulate a plan. Itll mean going deep undercover, but the men of the Sisterhood are breaking out their most impressive moves to stop a criminal network thats stayed two steps ahead of justice for too long... "Michaels listens to fans and delivers one hell of a punch."--RT Book Reviews on Double Down
